**WE FIX ONLINE FILING MISTAKES.**

Let's face it, the Internet can make it easy to do just about anything! Certain tasks on the Internet are so easy with today's websites. But if you do not follow income tax laws, or know your rights as a taxpayer, then you may be leaving money on the table, or opening yourself to a large tax bill. We can fix these mistakes that cause letters. We can proactively review all returns to see if you or the tax software made a mistake.

**WE FIX MAIL IN FILING MISTAKES.**

Do people still do this?? Yes! To our retired friends in the area, we are here if you prepared your taxes by hand and made a mistake. We will look them over for free! If there is a mistake we can correct it quickly for a small fee.

**Summer's here and so are we.** All year round to help with all your needs!

## IT'S ME, TOM!

I have a passion for taxes! I chose this occupation over 30 years ago and shortly after started my own firm. I love it when I help a customer get a large return! I love fixing a letter with a large tax bill and the IRS owes the customer more money. I love to help people! I love to help with any tax situation!
